QUESTION

1. The following

is a list of the components of a company's financial statements.

Identify the components.

2. Explain the relationship between the components.

3. Explain the relationship between the components.

4. Explain the relationship.

5. Explain the relationship between the components.

6. Explain the relationship between the components.

7. Explain the relationship between the components.

8. Explain the relationship between the components.

9. Explain the relationship.

10. Explain the relationship between the components.

11.

12.

13.

14.

15.

16.

17.

18.

QUESTION

1. The following information is available for the year ended 31 December 2018:

Inventory: 10,000 units

Opening inventory: 10,000 units at a cost of \$100,000 and a selling price of \$150,000

During the year, 20,000 units were purchased at a cost of \$200,000 and a selling price of \$300,000.

At the end of the year, 10,000 units were on hand. The selling price of these units was \$150,000.

Required: Calculate the gross profit for the year.

2. The following information is available for the year ended 31 December 2018:
